

Fast Track to Connection Sweepstakes

Aviation Maintenance Technician day was on May 24th, but one day isn't enough. We wanted to thank you for helping to bring us fast connectivity and a great flying experience by extending the celebration!

We excel at delivering data at the pace of life and are never ready to slow down.

That is why SmartSky Networks wants to put you on the fast track with a chance to win an adrenaline-fueled racing experience at Hendrick Motorsports.

Data moves us, but what moves you?

If it's the roar of engines, the rush of the wind, or the thrill of watching aerodynamics in action then this experience is for you!

Deadline to enter is July 31. Race experience winner will be selected from eligible applicants on August 4, with race experience details provided following the drawing.
